

Step by step: the citizen (client) journey

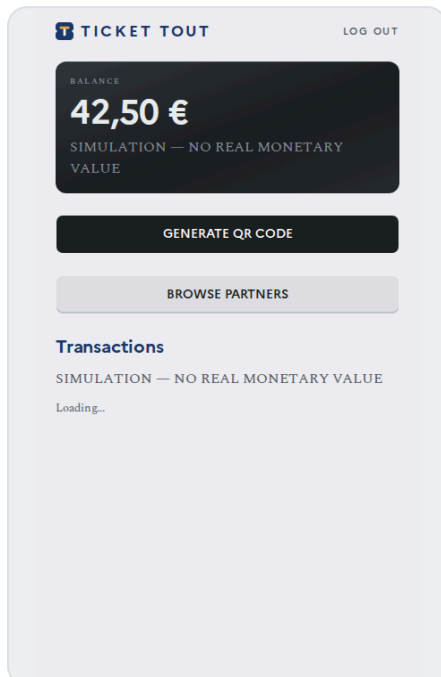

Follow these steps in order. Tap exactly what's described below.

1 Log in

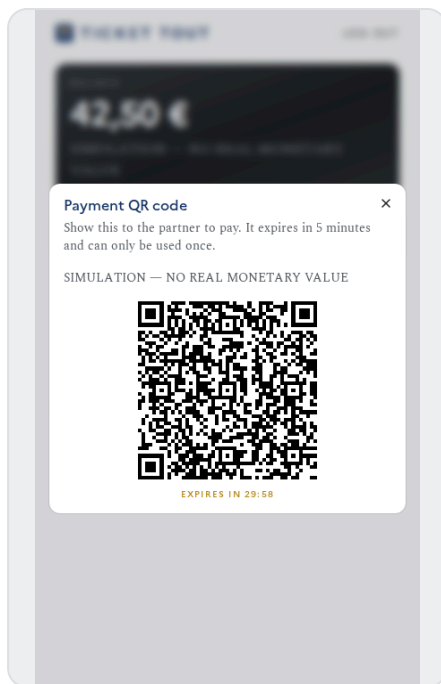

Tap the Email field, type the account's email. Tap Password, type the password. Tap the black LOG IN button.

The screen opens on this card automatically — nothing to do before this.

2 Home screen

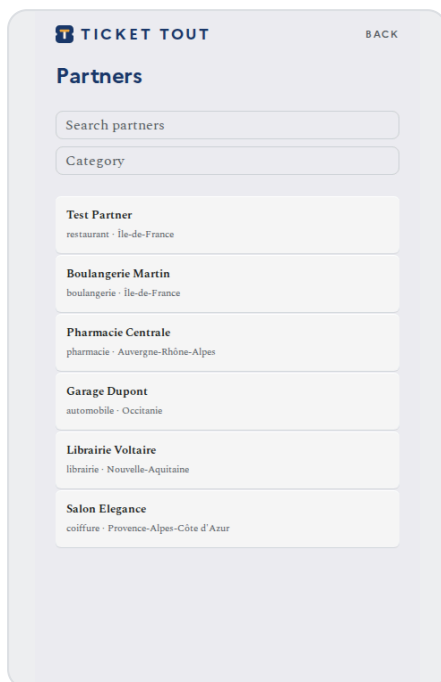

After logging in, this is the home screen. The balance is shown at the top (here, 42,50 €), always labelled as simulated money. Two buttons below: **Generate QR code** and **Browse partners**.

3 Generate a payment QR code

Tap **GENERATE QR CODE**.

A real, scannable QR code appears immediately with a countdown. Tap the ✕ in the top corner (or tap outside the card) to close it.

4 Browse partners

From the home screen, tap **BROWSE PARTNERS**.

Shows every approved shop — currently 6: Test Partner, Boulangerie Martin, Pharmacie Centrale, Garage Dupont, Librairie Voltaire, Salon Elegance.
